

SAINT JOHN VIANNEY
God's Loving Light Shines Through Us and Our Actions
Est. 1962  Colonia, NJ

Dear Parents and Guardians,

I hope this message finds you well. As we approach the winter weather season, we need to be prepared for inclement weather that may impact our school schedule. With this in mind, I wanted to outline our snow day notification procedures to ensure everyone is informed and stays safe during unexpected weather events.

In the event of a snow day, delayed opening, or any weather-related closure, we will communicate this information through the following channels:

- School Website: We will post updates on our school website. Please check <https://school.sjvianney.com/> for the latest information.
- SchoolMessenger Communication: An email and phone call will be sent to all parents and guardians with details about the closure/delay. Make sure your contact information is up-to-date in our system to receive these notifications promptly.

In the case of a delayed opening, please note that school will begin **2 hours later** than the regular start time. **The Main School and Preschool buildings will open at 9:30, classes will start at 10 am, and there is no before-care.** We understand that this may require adjustments to your morning routine, and we appreciate your flexibility.

Our students are coming from 21 surrounding towns, our snow-day decisions will consider this. We appreciate your cooperation and understanding as we navigate through the winter months. If you have any questions or concerns, please don't hesitate to contact the school.

Thank you for your attention to this matter, and let's work together to ensure the safety and well-being of our students.

Warm regards,
Mrs. Hicks
