The Gym uniform is to be worn only on scheduled Physical Education days, unless otherwise specified. Only the SJV fleece is to be worn in the classroom.

The school uniform is to be worn properly at all times. It is to be kept clean and well maintained. **Only a solid white tee shirt is to be worn under any school shirt, be it the regular uniform or gym shirt.** Please have uniforms (particularly fleeces) labeled with your child's name for easy identification.

Each student will be required to carry a backpack to school each day. Backpacks should be free of any keychains or ornamentation. Backpacks on wheels are not permitted in the hallway.

Hair should be kept clean, neatly groomed, trimmed, and not impair vision (hair should not touch or cover the eyebrows). Boys' hair should not be touching the top of the shirt collar or cover the top of the ear. Boys' hair may not be held back using a hair tie or clip. Eccentric or extreme styles (i.e., Mohawk, V-cuts, mullets) or colors will not be accepted. Students' hair must remain its natural color with no highlighting. Boys are to be clean shaven and without facial hair. **The appropriateness of any hair style is determined by school administration. In order to comply with the gym dress code, no student should pierce her ears in the month prior to the start of the school year or during the school year.**

When a student(s) may have a dress down day will be determined by the school administration. Appropriate modest attire should be worn. Torn jeans and extremely short skirts and shorts, as well as swimsuits are not allowed. Tank tops and spaghetti straps are not acceptable. Rules relating to school shoes will be enforced (flip flops and backless shoes are not acceptable). Tee shirts should be free of any logo, picture, or saying that is not acceptable in a school environment. Occasionally, students will be given a "Dress Up Day". Rules relating to jewelry and cosmetics will apply on dress down or dress up days. Students will not dress down on any day the school will be in the church.

Parents will be notified if a student is not adhering to the dress code. This initial contact enables the parent to review the dress code and correct the situation. After the first notice, if the child is not in full compliance with the code, the parent will be required to bring the appropriate clothing to school before the child is permitted to return to class. If the student is wearing cosmetics or nail polish, the student will be sent to the office and will be required to remove it before returning to class. **Repeated failure to observe the dress code may result in disciplinary action in the form of loss of recess and/or detention and may preclude a student from achieving honor roll status.**

****Please note that our uniform has changed. Students will be permitted to wear the old uniform until June of 2025. Newly purchased uniforms should adhere to the new uniform guidelines.****

These guidelines are subject to change.
